Dear Sirs:

Sometime ago I have written you in regards to getting some literature about my fathers naturalization and have received a letter from you giving me the date and year of his naturalization. I have sent this to the R.C.A.F. recruiting office but it was not efficient enough and they want a duplicate naturalization certificate.

I am therefore writing you to-day and asking you to send me a duplicate of my dads certificate at once and if it is necessary to send elsewhere for it will you please forward this letter to the correct place.

I am in a very urgent need of this certificate so will you please rush it to me at once, and if any fee is necessary to get this certificate send it to me any way and I will send you the required fee via air mail.

My fathers name is George Ropocean which was spelt incorrect at the time of his naturalization. Nevertheless please send me the duplicate naturalization certificate on the person by the name George and his last name may spell a little different than my last name.

Please forward it to me at once.

Yours very truly,

EXTRACT from a letter from John Steinbrecher.

Dated Calgary Feb. 15, 1906.

" Last fall in September some time, when I looked your country over first I was taken with the country so well that I filed on homesteads for me and my son. Mine is the S.F.1/4 2-39-13 and my son's is the N.W.1/4 36-38-13.

Will I have to live on my homestead? I am locating people on homest ads every week. Will you please give me some information as to what I have to do."

Hon. Secretary,
Department of the Interior,
Ottawa.

Dear Sir,

My son and I took homesteads on September 19th last, but as we have an immigration of over 2000 families coming from the States which keeps me busy in our office and my son still in the States selling out our buisness, we would both ask for an ectension of six months.

As soon as my son comes up, which will be soon, we will put some improvements on our land and have some broken when the time comes.

I have not kept track of but think that I located over 300 families of German farmers.

My homestead is the S.E.¼ Sec. 2, 39, 12, and my son's the N.W.¼ Sec, 36, 38, 12.

Your obedient servant,

Sgd. John Steinbrecher.

Land Patents Branch.

With reference to your memorandum of the 24th ultimo, in regard to the northeast quarter of section 13, township 13, range 3, west of the 5th meridian, for which it is desired to issue patent to Mr. Andrew Nelson and which is in the Rocky Mountains Forest Reserve, I beg to say that entry for this quarter section which was granted on the 30th of December, 1911, was after the reserve had been set aside by Act of Parliament. The reports received from your branch in regard to the alienations in this reserve did not include any notice of the granting of entry for this quarter section. On examination of head office file 147296A there does not appear to be any evidence of Mr. Nelson having made any improvements on this quarter section, as his buildings and 15 acres which is all that has been cultivated are probably on the other quarter section that he holds outside the reserve. Please advise me further in this connection.

MEMORANDUM:-

Mr. Hume,

I beg to call your attention to the memorandum of the 17th ultimo from the Director of Forestry in reply to Mr. Belleau's memorandum of the 24th of the previous month, in which latter it was stated that the N.E.¼ 13--13--3, West 5th Meridian, comprised in a Volunteer Bounty Land Grant entered for by Andrew Nelson on the 30th December, 1911, and the patent for which was approved on the 10th August last, was within the Rocky Mountains Forest Reserve.

It will be observed that the Director of Forestry points out that when this entry was granted the Reserve had been set aside by Act of Parliament, and that he enquires as to whether the entrant has any improvements on the quarter section in question, which enquiry I think should be answered in your Branch. It is, therefore, for this purpose that the file in now being referred to you.

When the file is returned to this Branch with a further report from the Director of Forestry the matter will be further considered.

N.E.¼ 13-13-3-W.5th Meridian,

The above land stands as the South African Volunteer Scrip of Mr. Andrew Nelson which he obtained on the 30th of December, 1911.

He has executed his application for patent showing the completion of the required duties, but it appears according to evidence furnished from your Branch that the N.E.¼ 13-13-3-W.5th Meridian is included in the Rocky Mountain Forest Reserve.

When Mr. Nelson's application for entry was received and, in fact, even when his application for patent was received here, there was nothing on file which would indicate that this North-East quarter was reserved in connection with the Rocky Mountain Forest Reserve, and it was only after the application had been approved and transferred to Patent Branch for further action that the Patent Branch discovered, apparently by examining their books, that this land was required in connection with the Rocky Mountain Forest Reserve.

Kindly furnish me with copies of all instructions sent the Agent of Dominion Lands at Calgary by your Branch in connection with the reservation and inclusion of this land in the Rocky Mountain Forest Reserve.

I am sending you herewith a copy of the Departmental letter of January 26th, 1911, to the Agent of Dominion Lands, Calgary, covering a map of the Rocky Mountain Forest Reserve as it was established by Act of Parliament on May 19th, 1911. In this letter the Agent is asked to note that no homestead entries have been granted for lands lying west of the line indicated. This was a typographical error as this should have read "no homestead entries should be granted". I cannot

Mr Cory.

The East boundary of this sy section was surveyed in Oct 1908, which at that time was included sufficient reason to apply to grant under survey. The plan was sent to the Agent about August 1910. This quarter section is in the Rocky Mountain Forest Reserve created by Act of Parliament.

S.E. W½ of 13--13--3, W. 5th M.
N.E. S.E.¼ of 24--13--3, W. 5th M.
S. A. V. Scrip Grant of Andrew Nelson,
Entry granted 30th December, 1911.

Mr. Nelson has applied for patent for the quarter-sections above described and the evidence furnished shows that he has fully complied with the regulations with respect to residence and stock requirements. See Form 58A marked.

Up to the time Mr. Nelson applied for patent on the 2nd April, 1917, no question arose as to his right to hold entry for the W.½ of 13--13--3, W.5th, but before patent was issued the Controller of the Land Patents Branch called the attention of this Branch to the fact that the quarter-section referred to was included in the Rocky Mountain Forest Reserve.

On looking into this case I find that the East boundary of this quarter-section was surveyed in October, 1908 and that the plan was sent to the Agent about August, 1910. At that time the fact that one side of the quarter-section touched a survey line was sufficient to authorize the Agent to grant an entry.

In a memo. dated the 10th instant Mr. Campbell of the Forestry Branch sets out that on the 5th January, 1911, the Agent at Calgary was furnished a map showing the proposed boundaries of the Rocky Mountain Forest Reserve, which included the W.½ of 13--13--3, W.5th M., but not the S.E.¼ of 24--13--3, W. 5th M. The final paragraph of this letter read as follows:-

> "Please note that no homestead entries have been granted for lands lying west of the line indicated."

Mr. Campbell points out that it was the intention to state that 'no entries were to be granted for lands lying west of the line indicated'.

Whether this error influenced the Agent in his decision I am unable to say, but as set out at the head of this memo. he granted Mr. Nelson an entry on the 30th December, 1911.

An Act of Parliament, including the N.E.¼ of 13--13--3, W. 5th M. in the reserve in question, was passed on the 19th May, 1911, and in his memo. of the 10th instant Mr. Campbell sets out that the Agent - was -

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

was advised of the final passing of the Act, but in unable to trace the letter advising the Agent to this effect.

Whether or not the Agent received notice of the passing of the Act, it is a fact that after the Act was passed he granted an entry for the quarter-section in question. Again, whether or not the Department here was at fault, or the Agent overlooked his instructions, it is a fact that Mr. Nelson was in no way to blame for the complication. He made his entry in good faith and has been in undisturbed possession up to the present time.

In view of the length of time that has elapsed since this entry was granted, and, in view of the further fact that the quarter-section lies on the edge of the Rocky Mountain Reserve, I would suggest that Mr. Nelson be confirmed in his entry for this land and granted patent therefor, even although it would appear to be necessary to obtain the sanction of Parliament for this action.

Mr. Campbell states that the Agent was advised of the passing of the Act setting aside this quarter-section as a Forest Reserve, but apparently the Patent Branch of this Department was unaware of this fact, as no question was raised as to the right of the Agent to grant the entry when the application for entry was received there.

INTERIOR

COMMISSIONER.

To the Secretary of the Department of the Interior?

I immigrated in the year 1[illegible] from Volinien, Russia I was persuaded to come with my family to the United States where I resided till last Spring, when I came in connection with my family. I have travelled several districts to find land for myself and my countrymen. Finally I decided and took land in the [illegible] township, range [illegible] I cannot get along with only 160 acres. The C.P.R. does not sell land. I consequently have bought up land, I feel myself obliged to [illegible] to Ottawa, there to meet the coburns, visit and [illegible] I will and must work on this soon, as the sections in the neighborhood will be all taken up. I have a family of [illegible] and 4 daughters and I also have my father to support, being [illegible] life-time. One is a widow and has a [illegible] is not of age. Caroline Prill is [illegible] name. She has asked to say she would like to take a homestead with me in order to have the permission to take one. As I understand the law, she has the right to do so.

In 190[illegible], I went to Russia, to marry and a second time and I told my friends and countrymen to leave the country and settle[illegible] for themselves and to seek a home in the Canadian North-West. I receive many letters from Russia, the United States, Brazil, etc. The people wish to live in a for an settlement, where they can build a church and schools and this I could not, up till now, promise them. I was also to plan just people of all kinds of religions came along and took up land there has too people to know I am a good judge of land.

I have been brought up a farmer, so I have still the plan to for a German Lutheran settlement. If I could reserve a whole township, I would draw over many settlers. Please to grant me it is, if it is possible. Then I will write immediately to my brother-in-law, who is in Braziland is a Pastor there. The immigration would soon increase. In order to prove that I brought over my second wife Emilie in 1904, I enclose the inspection card and a part of my travelling ticket. With God's will, I will help the government in every respect.

Please answer soon.

Yours respectfully,

Robert Prill.

ADDRESS ONLY THE

DEPARTMENT OF THE INTERIOR
OTTAWA

Department of the Interior

Canada.

Refer to 148303-A.

Ottawa 3rd March, 1906.

Sir,-

I beg to acknowledge the receipt of your letter, dated 24th ultimo, and in reply to say that, if your son is seventeen years of age, your request to have a quarter section of land held for him until he is old enough to make entry will receive consideration. You should forward here the date of his birth and a description by section, township, range and meridian of the land you desire for him.

Regarding your mother's right to make a homestead entry, I am to say that, if she is a widow and has a minor child dependent upon her, it is probable she would be allowed to take up land. She should write to the Department, stating her position and giving the names and ages of her children.

Your request to have a township reserved for the settlers you are bringing into Canada cannot be granted, as the Department does not entertain propositions of this nature. I am, however, to point out that your friends may secure entries in advance by appointing someone to act for them in the matter, and, if they will write here, each over his own signature, naming someone to represent them, the necessary authority will be issued to enable him to do so. Each settler is then allowed six months from the date of entry within which to go into residence.

Your obedient servant,

Secretary.

Replying to your recent letter we are wondering if you would be good enough to check this matter again.

Our co-owner, Mr. H.J. Madill, states that the S.½ - 11 was purchased at $18.00 per acre, but that the N.E. ¼ of 11 contained 15⅝ acres which at that time was included when the town limits were purchased at $20.00 per acre.

Would you please advise if the statement given in your previous letter is correct or if the price was higher as our co-owner alleges.

If I am not in error in this information, would

MEMORANDUM :-

Mr. Gliddon, Land Patents Branch,

With regard to the requisition for Patent hereunder for the South half and fractional North East ¼ of Section 29, Township 40, Range 28, West of the 4th Meridian in favour of the McDonald Estate, you will perceive that requisition is made for 31.36 acres in the South West ¼, although the present township plan of 1914 shows an area of 31.50 acres in this quarter.

In explanation I would say that the land was sold as 31.36 acres and as payments were completed in 1909 before the issue of this latter township plan, and as Patent only awaited the filing of Letters Probate, Mr. Rolling considers that we should not charge them for the additional .14 acres, and that requisition should be made for the area shown by township plan of 1909. I trust this will be O.K.
